So much heartaches and pain  
Always on my way  
Living on living day by day  
I got no future i got no past  
Just going nowhere nowhere fast  
How long does forever last

I'm not living in the past for you  
I've gotta find my way thru

Life goes on without any breaks  
I got it baby what it takes  
Dreaming on and on of better days  
So many things to get done  
Everyone's here a chosen one  
We've got a long long way to come

I'm not living in the past for you  
I've gotta learn my way thru  
Just

WRAP YOUR TROUBLES IN DREAMS  
It ain't that hard it seems  
[x2]
