Blue glistening waterfall
(Nothing quite like it)
The wind on my paper boat sail you are
And the trigger on my gun
Adore U
I said, I do, I do, I do
And everything I am I would give to you
My love, my love, my love
I adore U
Don't ever walk away
I said, I do, I do, I do
Don't ever walk away
And everything I am I would give to you
My love, my love, my love
Don't ever walk away
I said don't ever walk away
I adore U
Don't ever walk away

I said, I do, I do, I do
Don't ever walk away
And everything I am I would give to you
My love, my love, my love
Don't ever walk away
I said don't ever walk away
Don't ever walk away...
