Yes, it was a love to die for
The monster that you are never scared me
I dared you to dare me
And now you're permanently scarred

Well, I'm through with you, treating me like you do
My heart belongs to someone else now
And I'm a fairy, I sparkle
Look at my eyes, I'm in love

Are you jealous? Are you jealous?
Are you jealous? Are you jealous?
Don't make me your enemy
Don't make me your enemy

Well, I'm just about as happy as I can be
His love is like a waterfall
Wet and bare like nothing all over me
Pure heaven

And he buys me flowers, they don't wilt
He doesn't have temper tantrums
Begging me back, he tells me I'm a princess
He's the best, I'm in love

Are you jealous? Are you jealous?
Are you jealous? Are you jealous?
Don't make me your enemy
Don't make me your enemy

I'm not your enemy
I'm not your enemy

Yes, it was a love to die for
You never thought I'd leave
Never thought I'd leave
Those heavy arms around my neck

So watch me go and look at me
I'm satisfied, I'm satisfied
Tell me, how do you feel
When you look into my eyes?

Are you jealous? Are you jealous?
Are you jealous? Are you jealous?
I'm not your enemy
I'm not your enemy
I'm not your enemy

Are you?
Are you jealous?
Are you jealous?
Don't make me your enemy
Don't make me your enemy
Don't make me your enemy
