The feeling is growing
We have to keep up with the Jones'
We have to keep up the demand
Because the supply is getting more

Will there be catastrophic circumstances
If the e-mail and dot coms capture the world
And cyberspace is a holiday place
And your best friend lives on Mars?

Do you remember
Glamor on Sunset Boulevard?
Do you remember?
Do you remember?

When ladies were ladies and men were men
But now the future's taking over
We're out of control again, yeah

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

Well, coming out of the 90's
Everybody thinks we're getting wiser
'Cos we're seeing 3-dimensional and
And we're filling up wide open space

Interactive, the word of the moment
Laughs the old gentleman in the face
A generation we can never replace
Never, never replace

Do you remember
Glamor on Sunset Boulevard?
Do you remember?
Do you remember?

When ladies were ladies and men were men
But now the future's taking over
We're out of control again, yeah

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

We nearly hit the history books
Starts all over again
Virtual reality, yeah, isn't real
Virtual reality, yeah, isn't real

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

Do you remember
Glamor on Sunset Boulevard?
Do you remember?
Do you remember?

When ladies were ladies and men were men
But now the future's taking over
We're out of control again, yeah

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
It's more like Barbarella, Barbarella
It's not like the old 50's glamor

It's more like Barbarella, Barbarella
It's not like the old 50's glamor
