There you go again, telling me I'm too cold
So light a fire in me, if that doesn't sound too bold

Could you tell me, yeah, that I am beautiful for once
I don't feel a thing inside this devil you call love
Well I don't feel a thing inside this devil you call love
Now my hearts broke I dedicate it to ya
I never loved a man the way I love you so
Here's my last quote I dedicate it to ya
Why would anybody ever want to treat a woman so
bad?

There you go again taking a deep breath, looking
skywards
Cos I looked like I need some attention, do I? Yeah
that's right

Could you tell me, yeah, that I'm beautiful for once?
I don't feel a thing inside this devil you call love
I don't feel a thing inside this devil you call love
Now my hearts broke I dedicate it to ya
I never loved a man the way I love you so
Here's my last quote I dedicate it to ya
Why would anybody ever want to treat a woman so
bad?

Now my hearts broke I dedicate it to ya
I never loved a man the way I love you so
Here's my last quote I dedicate it to ya
Why would anybody ever want to treat a woman so
bad?

Oo la I drum myself silly that you really care
oo la I'm drumming on something that's not really
there

Now my hearts broke I dedicate it to ya
I never loved a man the way I love you so
Here's my last quote I dedicate it to ya
Why would anybody ever want to treat a woman so
bad?

Now my hearts broke I dedicate it to ya
I never loved a man the way I love you so
Here's my last quote I dedicate it to ya
Why would anybody ever want to treat a woman so
bad?
wanna treat a women so bad
wanna treat a women so bad
Yeah wanna treat a women so bad
(dedicated to ya)
Why would anybody ever want to treat a woman so
bad?
