Here we are again  
The jangle of my ankle chain is the only sound I can  
hear  
When I am here with you  
[repeat to end]  
Words collide into a single breath  
You're on my mind every day and every night  
Irresistable U are  
O you are  
Hey Mister you got the lines for an interactive future  
Right on!  
Your strong feet were sent to carry me  
How about you marry me?  
Words collide into a single breath  
You're on my mind every day and every night  
Irresistable U are  
Irresistable U are  
Irresistable U are  
O you are  
O you are  
Yeah you are
