"Me & The Dolphins"

Soul fishing under the waves
Like a freedom, it feels so amazing
I laughed and I laughed as I took the first breath
Never really knowing the depth

And the deeper I went, the more thrilling the scene
Something here feels so inviting

Me and the dolphins
This is the right way
Me and the dolphins
What a thought

Me and the dolphins
Soul fishing
Me and the dolphins
Feels so inviting

I'd give anything
Feels so inviting
Feels so inviting

I'd give anything
Feels so inviting
Me and the dolphins
Feels so inviting

I'd give anything
Feels so inviting
