The pictures look divine and the daisy chain
Around her neck would wilt away on mine
I know that I'm not perfect, but I would love you
True and deep and honest

But don't father me
And don't be just my friend
And don't comfort me
Coz you say you see a light, see a light
But wait you're Scared Like Me

Oh, are you? (do do do do)
Are you, (do do do do)
Scared Like Me? (do do do do)
Are you? (do do do do)

We smile as we dive into each others' eyes
And we are drowning pretending it means nothing to
us
But this it stirs up all the things
I want to live in this crazy dream

But don't father me
And don't be just my friend
Or you'll cry like me
And you'll see that I am weak, I am weak
And know you're Scared Like Me

Oh, are you? (do do do do)
Are you, (do do do do)
Scared Like Me? (do do do do)
Are you? (do do do do)

You're scared (do do do do)
Scared Like Me (do do do do)
Are you? (do do do do)
Scared Like Me

Sometimes I wilt, like that daisy chain
You can only pretend to be brave for so long
Till they find out who you really are

But I'm not the only one
Coz you're Scared, Like Me

Are you? (do do do do)
Are you, (do do do do)
Scared Like Me? (do do do do)
Scared Like Me (do do do do)
Are you Scared Like Me? (do do do do)
You're Scared Like Me (do do do do)
So scared

Are you (don't father me)
Are you, (do do do do)
Scared Like Me? (do do do do)
Are you Scared Like Me? (do do do do)
Scared Like Me (do do do do)
So scared

Well you want to be my lover
But you don't know what to do about it
And we're holding onto something
That we can't see but we can feel it

Are you Scared Like Me? (do do do do)
(do do do do)
(do do do do)
