Hail brother  
The distant thunderIs nothing but hearts  
Beating as one  
Dance of a million  
On God's pavilion  
Come comeBeat on your drum

Awake people arise  
Awake upright comeFortune is falling like  
Tears from the skies  
Open your eyes

Hail sisterCome on over  
To shape reshape  
Things to come  
Bow your head  
Raise your lantern  
Come come  
Beat on your drum

Awake people arise  
Awake upright come  
Fortune is falling like  
Tears from the skiesOpen your eyes

United action is what we needTime to say that  
everything is going to be  
Wasted icons wasted lives  
Like war obsolete

Awake people arise  
Awake upright come  
Fortune is falling like  
Tears from the skies  
Open your eyes

These are the times  
The times of our own  
These are the shapes  
The world we formed  
Swift is the arrow  
Dark is the thornThe slate is cleanThe future awaits
