For his was the grandeur of higher heavens,
Of golden mornings, virgin snowfields,
Which no unpure blood should stain
Nor shall everlasting undying ones (never enter)

He was the one, who guarded the edges of the divine
Lights
For they seeked every wicked damnation,
Dragged before their torment and vanquished...

Torn...
For their veins were rent by lycantrophic beasts
Asunder...
The All-might redeemer
Aspersed by it's fallen servants

Absent feeling of feeble is ubiquitous
The Redeemers All-Might shall never arise
His aura of winter made hell repel
The evil and the sinner, met opaque revival

Thou art the bearer of unworthy prophesy,
Rise thy glance over the nocturnal welkin
Thou wert born for thirst of seduction
The arts of obsession embrace thy thoughts

The evil emerges from the hollow
Cum to ravish thee
Two serpents (embraced as) one guiltet Eve

She is the raven, which delays the crater
And thus may not drink for turned to betrayer
He becomes the serpent thirst for fertilization
Lurk within stars for concealed temptation

The borders of faith itself shall never be crossed
For they seeked every wicked damnation,
Dragged before their torment and vanquished...

Dragged before their torment and vanquished...
For their veins were rent by lycantrophic beasts

Absent feeling of feeble is ubiquitous
The Redeemers All-Might shall never arise
His aura of winter made hell repel
The evil and the sinner, met opaque revival

Thou art the bearer of unworthy prophesy,
Rise thy glance over the nocturnal welkin
Thou wert born for thirst of seduction
The arts of obsession embrace thy thoughts

Ariadne obtained a gift: one thousand jewels
Gleaming in the night sky
Divine Corona Borealis reflects
The sign of eternal matrimony
