The moment I wake up  
Before I put on my jeans up  
I say a little prayer for you  
While combing my hair now  
And wonder what hat to wear now  
I say a little prayer for you

Forever, forever you'll stay in my heart  
And I will love you  
Forever, forever we never will part  
Oh, how I love you  
Together, together that's how it must be  
To live without you  
Would only mean heartbreak for me

I run for my horse, dear  
While riding I think of us, dear  
I say a little prayer for you  
At work I just take time  
And all through my whiskey break time  
I say a little prayer for you

Forever, forever you'll stay in my heart  
And I will love you  
Forever, forever we never will part  
Oh, how I love you  
Together, together that's how it must be  
To live without you  
Would only mean heartbreak for me

My darling, believe me ( my darling believe me)  
For me there is no one but you  
Please love me too (answer my prayer)  
I'm in love with you ( please love me too)  
Answer my prayer

Forever, forever you'll stay in my heart  
And I will love you  
Forever, forever we never will part  
Oh, how I love you  
Together, together that's how it must be  
To live without you

Forever, forever you'll stay in my heart  
And I will love you  
Forever, forever we never will part  
Oh, how I love you  
Together, together that's how it must be  
To live without you  
Would only mean heartbreak for me
