You're as sweet as candy
You're my rodeo queen
I'll take you out in the prairie to places you've never
Seen
I'll take you up in the sky
Come on and have a try, and we'll be
Free like eagles my rodeo girl into the sky
We'll look down on this world
We'll fly so high come on and have a looks right

See the sunset in your eyes
Oh my little campfire flame
Feel the magic when we touch
You know you're drivin me insane

Chorus:
It's just the way that you ride with me
Yeah babe I swear you knock me off a my feet
Just the way you talk so dirty to me
Just the way that you rock my body you rock my body

Come on now baby show me yours
And I will show you mine
I wanna take you on a rodeo ride
For a 1000 nights
I'll take you up in the sky
Come on and have a try, and we'll be
Free like eagles my rodeo girl into the sky
We'll look down on this world
We'll fly so high come on and have a looks right

See the sunset in your eyes
Oh my little campfire flame
Feel the magic when we touch
You know you're drivin' me insane

Chorus:
It's just the way that you ride with me
Lyrics yeah babe I swear you knock me off a my feet
Lyric just the way you talk so dirty to me
