We eat  
We sleep  
We walk  
We talk  
We dress  
Guess what  
It's different but  
We bless the spot  
We jazz we cast we drop  
We don't wanna stop  
So we go fast  
- move up  
Looking from the top  
We see all things pass  
Still we want they last  
We don't need what we got  
But gotta improve a lot  
So we do our best until we rest

All times all over the place  
The same rhyme we share on our ways  
[2x]

Together we treat each other

We cheat each other  
We delete each other  
We complete  
Together we ride each other  
We fight each other  
We hide each other  
We bite  
We light the night  
And write the daylight  
We take a flight  
Come on that's our sight  
Together  
We've tried each other  
We guide somebodies  
In the street  
It's where we gonna meet

All times all over the place  
The same rhyme we share on our ways  
[3x]
