Somehow something stocks  
I can stand the lowend  
Things gotta move on up  
I want land where I can't  
And I don't wanna stop  
Being your friend  
Your right hand  
I make my day  
This is my way  
I gotta move on

But I open my door  
For your heart and your butt  
See I got enough chores  
And my art keeps me smart  
There ain't no better source  
The end is hard so I start  
I make my day  
This is my way  
I gotta move on

Go on  
You are strong get it done  
So long  
Move on

Still you are the one I need  
Hope you see all of me  
I got to plant my seed  
With somebody loving me  
'Cause I like to breath  
If you don't care  
I get nowhere  
What's up out there  
Come on let's share  
Our show must go on

Seems as you don't know what  
You want to do but I do  
'Cause I've written this plat  
A sure shot that moves odd  
But without you I'ts not

The same crew - I'ts on you  
What's up out there  
Come on let's share  
Our show must go on

Go on  
You are strong get it done  
So long  
Move on

Go on  
You are strong get it done  
So long  
Move on

You've got it, you've got it,...
