

Bowery Electric "After Landing"

Visit "[After Landing](#)" on MotoLyrics.com

I'm on the outside
Out in the moonlight
Out where the womb guides
You from the outside

All that I'm saying is
That I'm planning
All that I'm saying is
That I'm planning

I'm on the outside
Out in the moonlight
Out where the ships guide

You in the moonlight

All that I'm saying is
That I'm planning
All that I'm saying is
That I'm planning

I'm on the outside
I'm on the outside
I'm on the outside
I'm on the outside
