Now I don't wanna lose you
But I don't wanna use you
Just to have somebody by my side

And I don't wanna hate you
I don't wanna take you
But I don't wanna be the one to cry

And that don't really matter to anyone, anymore
But like a fool I keep losing my place
And I keep seeing you walk through that door

But there's a danger in loving somebody too much
And its sad when you know it's your heart you can't
trust
There's a reason why people don't stay where they are
Baby sometimes love just ain't enough

Now I could never change you
And I don't wanna blame you
Baby you don't have to take the fall

Yes I may have hurt you
But I did not desert you
Maybe I just want to have it all

It makes a sound like thunder, it makes me feel like
rain
And like a fool who will never see the truth
I keep thinking something's gonna change

But there's a danger in loving somebody too much
And its sad when you know it's your heart you can't
trust
There's a reason why people don't stay where they are
Baby sometimes love just ain't enough

And there's no way home
When it's late at night and you're all alone
Are there things that you wanted to say
And do you feel me beside you in your bed?
There beside you, where I used to lay

And there's a danger in loving somebody too much
And it's sad when you know it's your heart they can't
touch
There's a reason why people don't stay who they are
Baby sometimes love just ain't enough
Baby sometimes love, it just ain't enough
