hello and welcome to our  
laboratories  
we'll give you the guided tour now  
if you please  
here in the fruit department  
as you can see  
everything's made to order  
chemically  
isn't progress simply wonderful?  
welcome to the  
welcome to the  
farm two thousand  
come right in  
eat the future  
drink the future  
farm two thousand  
tastes just like the real thing  
the animals that we have here  
all look the same  
they came from a single test-tube  
aren't you amazed?  
the door with "restricted access"  
is not for your eyes  
but you can believe me,  
we've got nothing to hide  
don't you think progress is just wonderful?  
welcome to the  
welcome to the  
farm two thousand  
come right in  
eat the future  
drink the future  
farm two thousand  
tastes just like the real thing  
farm two thousand  
farm two thousand  
farm two thousand  
for the world  
farm two thousand  
farm two thousand  
farm two thousand

tastes just like the real thing
