(I want to break free)  
(I want to break free)  
I want to break free from your lies  
You're so self satisfied I don't need you  
I've want to break free  
God knows, God knows I want to break free

I've fallen in love  
I've fallen in love for the first time  
And this time I know it's for real  
I've fallen in love, yeah  
God knows, God knows I've fallen in love

It's strange but it's true  
I can't get over the way you love me like you do  
But I have to be sure  
When I walk out that door  
Oh how I want to be free, baby  
Oh how I want to break free,  
Oh how I want to break free

But life still goes on  
I can't get used to, living without, living without,  
Living without you by my side  
I don't want to live alone, hey  
God knows, got to make it on my own  
So baby can't you see  
God knows, gods know, gods know  
I've want to break free
