Sometimes I get to feelin  
I was back in the old days - long ago  
When we were kids when we were young  
Thing seemed so perfect - you know  
The days were endless we were crazy we were young  
The sun was always shinin - we just lived for fun  
Sometimes it seems like lately - I just don't know  
The rest of my lifes been just a show

Those were the days of our lives  
The bad things in life were so few  
Those days are all gone now but one thing is true  
When I look and I find I still love you

You can't turn back the clock you can't turn back the  
Tide  
Aint that a shame  
I'd like to go back one time on a roller coaster ride

When life was just a game  
No use in sitting and thinkin on what you did  
When you can lay back and enjoy it through your kids  
Sometimes it seems like lately - I just don't know  
Better sit back and go with the flow

Cos these are the days of our lives  
They've flown in the swiftness of time  
These days are all gone now but some things remain  
When I look and I find no change

Those were the days of our lives - yeah  
The bad things in life were so few  
Those days are all gone now but one things still true  
When I look and I find  
I still love you

I still love you
