No mistakes, not today  
I've been waiting for you  
When you sign here on the dotted line  
On a cake on a plate  
I'll be waiting for you

I'm looking at the clock right now  
Time's tickin' on the double double double  
Shoulda had you on lock by now  
I know I'm lookin' at trouble trouble trouble

I'm chasing you crazy  
How many I've wasted  
I hope you just take me  
Cause I'm chasing you crazy

Oh, oh, oh oh oh  
Oh, oh, oh oh oh oh  
Oh, oh, oh oh oh  
I'm chasing you crazy

Sign here on the dotted line  
I won't bet, but I bet I'd be better for you  
It may look pretty on the other side  
Take your time, sweep your heart  
I won't break it in two

I'm looking at the clock right now  
Time's tickin' on the double double double  
Shoulda had you on lock by now  
I know I'm lookin' at trouble trouble trouble

I'm chasing you crazy  
How many I've wasted  
I hope you just take me  
Cause I'm chasing you crazy

Oh, oh, oh oh oh  
Oh, oh, oh oh oh oh  
Oh, oh, oh oh oh

I'm chasing you crazy

I'm chasing you crazy, so crazy, I I  
I'm chasing you crazy, so crazy, I I  
I'm chasing you crazy, so crazy, I I  
I'm chasing you crazy, so crazy, I I

I'm chasing you crazy  
How many I've wasted  
I hope you just take me  
Cause I'm chasing you crazy

Oh, oh, oh oh oh  
Oh, oh, oh oh oh oh  
Oh, oh, oh oh oh  
I'm chasing you crazy

I'm chasing you crazy  
I'm chasing you crazy  
I'm chasing you crazy  
I'm chasing you crazy
