Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Come here yeah

Something in your eyes
Draws me in each and every time
Losing focus
No turning back
Can't find the reason why
It's too much, I'm taken
Everyone else is right here
I found it
Find me in the clown space
Come join me
Cause I ain't leaving

I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down

It's easy to let go
If you control my mind
And some now
This world is enchanted
I'll make a spell and I don't care

We have got it
It's simple to see that I have no fears
Cause I'm free and I'm living
I feed off this love that you're giving

And I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down

Never would I do from this pain
Hypnotized when I stare in to your face
I found a love I can't replace
And I'm not leaving
And I'm not leaving

And I'm not leaving
And I'm not leaving
And I'm not leaving

I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down

I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down

I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down from here
Oh, I'm not coming down
And I'm not leaving
And I'm not leaving
And I'm not leaving
