#### Verse 1:

Well I failed calculus my senior year  
Because Mrs. Henry done rigged the test  
And I played great and we woulda tood state  
If it wasn't for that dang old reff  
No I've never had a problem  
With givin someone else the blame,  
And when it comes to lovin you  
Some things never change

#### Chorus:

Cause I blame you for the smile that I'm showin  
And I blame you, for the love inside of me that  
somehow keeps on growin  
Answer me the reason for the way I'm feelin, I've only  
got one good excuse  
And I blame you

#### Verse 2:

Well I was raisin hell and spent the night in jail  
Cause my buddies wouldn't bail me out  
I took the good lord down so many times, thought I had  
it all figured out  
Yeah I was headin down a dark road, and there wasn't  
and end in sight  
But the day that I met you, girl I saw the light

#### Repeat Chorus

#### Bridge:

Well I thought I knew all that love could do  
It couldn't change me at all  
No one could teach me  
Somehow you reached me  
And I'm on my way and it's all your fault

#### Repeat Chorus
