Artist: Paula Campbell

Album: I am Paula Campbell (2007)

Song: Ain't Nobody Stupid

Lyrics:

5 in the mornin'

Lights in the window he just got home

14 hours: how long he been gone

Not that I was counting

But he said he's only be gone for 3

Now 3 done come and gone

I think anybody can see what's going on

He walks in smelling like her cheap perfume

Smiling at me talkin' bout "what's wrong wit' you?"

Boy nice try (baby, nice try)

Really thought you could play me

Baby, ain't nobody stupid

Ain't nobody, ain't nobody stupid

No, ain't nobody, ain't nobody stupid

Say goodbye (Say goodbye baby)

'cause it's time for you to leave us baby

Ain't nobody, ain't nobody stupid

He said, "baby hang on"

No, ain't nobody, ain't nobody stupid

"You know I was hangin out with Carter started drinking
trippin' all I had was Carona"

Baby slow down

There ain't no lying your way out of this one now

So I said hey, boy c'mon do I got idiot scribbled across
my face?

You smell like that chick plus Patron

Took a minute but your true colors have shown

Boy nice try (nice try)

Really thought you could play me

Baby, ain't nobody stupid

Ain't nobody, ain't nobody stupid

No, ain't nobody, ain't nobody stupid

Say goodbye (Say goodbye baby)

'cause it's time for you to leave us baby

Ain't nobody, ain't nobody stupid

No, ain't nobody, ain't nobody stupid

Baby I been around for a little while

Had my share of playing games

But I put my games away so I could be the one for you
And there ain't nothing you can say that I ain't heard
before
Boy, your lies all sound the same
But I had my last cry today
Look what you made me do
Am I still the same?
Boy nice try (nice try)
Really thought you could play me
Baby, ain't nobody stupid
Ain't nobody, ain't nobody stupid
No, ain't nobody, ain't nobody stupid
Say goodbye (Say goodbye)
'cause it's time for you to leave us baby
Ain't nobody, ain't nobody stupid
No, ain't nobody, ain't nobody stupid
Boy nice try (nice try)
Really thought you could play me
Baby, ain't nobody stupid
Ain't nobody, ain't nobody stupid
No, ain't nobody, ain't nobody stupid
Say goodbye (Say goodbye)
Yes it's time for you to leave us baby
Ain't nobody, ain't nobody stupid
No, ain't nobody, ain't nobody stupid
No!
