Let me take you home boy wont you let me take you
home
Boy Let me take you home boy wont you let me take
you home
(Repeat)

Verse 1

Baby I bee watching you all nite
you got me open and you doing what i like
I see you eyeing me, so wont u follow me
Never know where this could lead if you leave with me
tonite

Hook

I wonder if i take you home
will you show me your love baby
because i need you tonite

I wonder if i take you home
will you show me your love baby
because i need you tonite
Your loving Oo Oo Oo

Verse 2

I know it seems we're moving fast
But boy its just one night im not trying to make it last
talk to me baby hold me tight
say my name its alright
won't you be the one to make me satisfied

Hook

I wonder if i take you home
will you show me your love baby
because i need you tonite

I wonder if i take you home
will you show me your love baby
because i need you tonite
Your loving Oo Oo Oo

Verse 3

Baby come with me
take you to ecstasy
Play out all your fantasies
yeah touch me
Baby come inside lay back enjoy the ride
Watch me dont close your eyes i can do just what you
like

Let me take you home boy wont you let me take you
home
Boy Let me take you home boy wont you let me take
you home
(Repeat)

Hook
I wonder if i take you home
will you show me your love baby
because i need you tonite

I wonder if i take you home
will you show me your love baby
because i need you tonite
Your loving Oo Oo Oo

Let me take you home boy wont you let me take you
home
Boy Let me take you home boy wont you let me take
you home
(Repeat Until fade)
