Take it out on you
I want to hurt
Make you suffer
I want to hurt

Look at me, bitch
Gonna feel good
Gotta do it right
And you're gonna feel bad

Poor wretch
Just a piece of trash
You're my trash
I love to play

Take it out on you
I want to hurt
Make you suffer
I want to hurt

Feels real good
To kick your face
And I've got the power
Do it all (? 02:06)

Take it out on you
I want to hurt
Make you suffer
I want to hurt

Look at me, bitch
Gonna feel good
I gotta do it right
And you're gonna feel bad

I'm going to use you
Fuck you up
Destroy your body
And throw you away

Take it out on you
I want to hurt

Make you suffer
I want to hurt

Take it out on you
I want to hurt
Make you suffer
I want to hurt
