"Wishing A Slow Death"

You shut the door
There is no turning back
It's your own decision
It's your pain

Make it a slow pain
Make it a slow death

Feel the opening of your body
Feel the opening of your flesh
Release your mind
Your flesh is worthless
You can't fucking stop it
It's your own death
No one can fucking stop it
It's the pleasures of death

Make it a slow pain
Make it a slow death
Make it a slow pain
Make it a slow death

You shut the door
There's no turning back
It's your own decision

It's your pain

Make it a slow pain
Make it a slow death
Make it a slow pain
Make it a slow death

Feel the opening of your body
Feel the opening of your flesh
Release your mind
Your flesh is worthless
You can't fucking stop it
It's your own death
No one can fucking stop it
It's the pleasures of death

Make it a slow pain
Make it a slow death
Make it a slow pain
Make it a slow death

Wishing a slow death

Make it a slow pain
Make it a slow death
