Everything I do.  
Everything I say.  
Everything I want.  
Everything I was.  
Dreams of disease.  
Dreams I recall.  
I cannot hide.  
You see it all.  
I try to hide from this thing inside of me.  
It's a disease and I don't like what I see.  
Nothing you did.

Nothing you said.  
Nothing you need.  
Nothing you were.  
Dreams of release.  
Dreams you defy.  
Hurts you to see?  
Just close your eyes!  
I try to hide from the thing inside of me.  
It's a release but I think it's killing me.
