I just eat her up like this was a bk meal.

Other men use to eat u up like a happy meal, but they not really satisfied.

As long as I got a women thats honest, I gotta make you mine.

When I rap sick, she wishes me well.

She said you put me in yo spell.

And I cd spell dis L O V E Y O U.

I hope I will never trouble you.

And keep you right here, that whats couples do.

Couples make love until it gets a few.

Until their love grew.

But a type a girl thats so honest, is somethin I never knew.

I didnt kno they really exist.

I thought it was a myth.

She just pick me up out of nowhere like the movie mist.

So I Wish.

But we all struggle, always in trouble.

When I put my big d in her, I always burst her bubble.

I cant get enough of u, you all ways on my mind, heart
& soul.

I hope we will grow old.

With each other & stick like mold.

And yeah its thats nasty, espically in da bed.

Her dreams use to be sleepy, but I woke her up when I
got her wet.

She giv me them purple kisses, cuz I treat her.

Warm ya heart, I am a heater.

Its not a crime, but I'll love to beat her.

Words on that body, I wuld love to read her.

And I gotta say i love u.

Aint nothin above you.

Ya like a ipod, cuz its easy & steady when I touch you.

[Bridge]

My love is like an ocean.

It goes down so fucking deep.

My love is like a rose.
Whose beauty you want to keep.
My love is like a river.
That will never end.
My love is like a dove.
With a beautiful message to send.
My love is like a song.
That goes on & on forever.
My love is like a prisoner.
It's you that I surrender.

Yeah, Love you every freakin' day.
And I hope ya still love me, when I say.
We can go go go all the way.....

[Hook]

Baby
We can go all the way.
All the way.
Pay attention when I say.
I tell God to lift u up when I pray.
We can go all the way, all the way.

And I hope ya still love me, when I say.
We can go go go all the way.....
