Love, love

You make me feel like a sticky pistil
Leaning into a stamen
You make me feel like a Mister Sunshine
Himself

You make me feel like splendor in the grass
While we're rollin'
Damn skipy baby, you make me feel like
The Amazon's runnin' between my thighs

You make me feel love, love, love, love, love
Love, love, love, love, love
You make me feel love, love, love, love, love
Love, love, love, love, love

You make me feel like a candy apple
All red and horny
You make me feel like I wanna be a dumb blond
In a centerfold, the girl next door

And I would open the door and I'd be all wet
With my tits soakin' through this tiny little T-shirt
That I'm wearing
And you would open the door and tie me up to the bed

You make me feel love, love, love, love, love
You make me feel love, love, love, love, love
You make me feel love, love, love, love, love
Love, love, love, love

Lover, I don't know who I am,
Am I very wide, am I hot inside, ooh?
Lover, I'm glazed with your compunctions
Oh baby, babe, babe, baby
I will be your Desdemona, ahh

Take your time

You make me feel, aha
You make me feel, woo,woo baby

You make me feel, aha, mmm
You make me feel loved
