Walking the mountain is easy for the medicine
Man who follows makes sure the Indian
Never returns.

His revenge, his revenge
Rising
His revenge, his revenge
Rising

Fighting the front line is honor for the pharaoh in
Egypt erases the queen, the truth, the history
of her

Her revenge, her revenge
Rising
Her revenge, her revenge
Rising

Reading the pages of history it's not black and
White is the man with the pen who's writing the story
Of life.

Our revenge, our revenge rising
Our revenge, our revenge rising
Our revenge, our revenge rising
Our revenge, our revenge rising, rising, rising, rising
