Lost in another world, oh Saturn, Saturn Girl
Oh, lost in another world, oh Saturn, Saturn Girl

Far away, to an infinite world I escape
I'm clear and calm, I'm unafraid
Sunless days, in my sheltered Milky Way
In Saturn's rings I feel no pain

In my heart, in my head
Oh, the Saturn Girl has always bled
No you're not, from this world
Saturn Girl

I can't explain, why I don't belong to the same world
I don't fit in, and I will not stay
I want to fly, oh I long for my violet skies
My astral nights, my peace of mind

Oh, in my heart, in my head
Oh, the Saturn Girl has always bled
No you're not, from this world
Saturn Girl

Lost in another world, oh Saturn, Saturn Girl
Oh, lost in another world, oh Saturn, Saturn Girl
Saturn Girl, I'd rather be lost in my empyrean world
Than be down on earth

In my heart, in my head
Oh, the Saturn Girl has always bled
No you're not, from this world
Saturn Girl

Everybody tries to break my dreams to break through
They don't believe in my words, they don't believe in
my world
Oh, you're lost in another world
Oh, you're lost you Saturn Girl, oh you crazy girl, oh you
Saturn Girl

In my heart, in my head
Oh, the Saturn Girl has always bled

No you're not, from this world
Saturn Girl

In my heart, in my head
Oh, the Saturn Girl has always bled
No you're not, from this world
Saturn Girl

Lost in another world, oh Saturn, Saturn Girl
Oh, lost in another world, oh Saturn, Saturn Girl
