Climbing, climbing, climbing, climbing...

Look, at how futile this is,
I'm so weak, so fragile, so torn.
Going round and round, going inside
To the circle, to the ladder, to the sky

I am climbing a ladder of urgency
Climbing a ladder of hope
Climbing a ladder of my emotions
Climbing a ladder of unraveling rope.

You see, what you want to see,
But I'm not, what you wanted, no I'm not.
I am only one thing, one thing I see,
One thing I feel.

Chorus

Climbing...
I am only one thing, one thing I see, one thing I feel
I am the ladder.
