I don't wanna be alone
Sitting here by myself
I've had enough of this game
And baby can't you tell
Everybody's out of school
They got somewhere to go
They can't possibly feel
The way I do, No!
Take another piece of my heart
You know it's falling all, all apart
I miss you so bad and every time you look at me
I think of how we used to be
I don't wanna be broke up no more
I don't wanna feel so insecure
I don't wanna be what you remember
When your looking back on some September
I don't wanna be lying on this floor
Don't want anybody else that's for sure
I don't wanna be broke up no more
I know it's all my fault and somehow it's always me
Why can't you hear me up, I'm trying to say sorry
For all the mess, the way I made you feel
Why can't I just be here, I'm my worst enemy
I'm to young to be, this damn lonely
I know what I need, and every time you look at you
I feel like your just looking to
I don't wanna be broke up no more
I don't wanna feel so insecure
I don't wanna be what you remember
When your looking back on some September
I don't wanna be lying on this floor
Don't want anybody else that's for sure
I don't wanna be broke up no more
Everything I wish I say I hear it all today
Perfect words are always just
Always just a little to late
I don't wanna be broke up no more
I don't wanna be, I don't wanna be
I don't wanna be what you remember
When your looking back on some September
I don't wanna be lying on this floor
Don't want anybody else that's for sure

I don't wanna be broke up no more
HmMMM
HmMMM
I don't wanna be, I don't wanna be
