Ahem.

If I can have your attention for a moment.
But I finally started livin' in the moment.
If I offer you my hand and you take it
Would you fold it? Not much of a royal flush.
But the least you could do was hold it.
I really, really like you,
I just don't want you to know it.
Got the toungue of an idiot.
And writing of a poet.
Done went for this relationship.
So I resort to rowin'.
If the slipper doesn't fit
Then I guess I have to grow into it, huh.

But everyday she sleep with someone else
And every night she kisses someone new.
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go, go)

I hope that what we have here is mutual.
Even had a psychic read my palm
Just to show me what the future holds.
I hope that in the future I'll be holding you.
No future hoes.
You a know-it-all
But there's a lot of thing that you should know.
Now I opened up the flaws

So I think that you should go.
Firstly tell me what's the deal like Howie Mandel.
But how a man feels is hard to confess
Like sex I'ma have to cum correct, I guess, huh.

But everyday she sleep with someone else
And every night she kisses someone new.
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go, go)

I know my chances are slim
Like Ethiopian kids.
You showed me love back.
But I'm hopin' you willin'
I'm hopin' I'm wrong.
And this could be a tangible dream.
Cause, baby, I can be the man of your dreams.
But, the difference is I'm really here.
To never know what could've been
Is the only thing that I really fear.
Most of these people got problems
Cause they doin' it wrong.
So we gotta get it right
Just to prove that it's wrong
Y'know?

But everyday she sleep with someone else
And every night she kisses someone new.
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)

If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go, go)
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
Just how I feel (feel)
When I can't let you go (go)
I'm hopin' you say yes (yes)
If I let you know (know)
The way I feel (feel)
When I can't let you go (go, go)
