I know you think Iâ'd be trippin,
Thinking Iâ'd be playing, youâ'll be saying
I ain't into you.
Just take a second, and listen
Cause I ainâ't into laying with just anybody
Baby I ainâ't trying to kill my body so soon
Let me know youâ're worth it
Do you deserve a chance to... to touch, to feel my love
Cause ainâ't nobody perfect, underneath the surface
Can you, show me your love
And when itâ's time, I wonâ't even have to tell you so
Youâ'll see the stars are shining the same
So take your time, this love ainâ't got nowhere to go
Itâ'll be way better if we wait
Thereâ's no such thing as too late
When you really love somebody, you can wait
â'Cause thereâ's no such thing as too late
Can't tell me your different
You be always saying, you ainâ't nothing like them
other dudes
And judging from my intuition
Yeah yeah yeah yeah
You seem like somebody I could probly give myself to
My soul too
â'Cause I want you to love me
Whenever you get that chance too
To touch, to feel my love
(â'Cause ainâ't nobody)
Cuase ainâ't nobody perfect
Underneath the surface can you
Show me your love
And when itâ's time
I wonâ't even have to tell you so
Youâ'll see the stars all shining the same
So take your time
â'Cause love ainâ't got nowhere to go
Itâ'll be way better if we wait yeah
â'Cause thereâ's no such thing as too late
When you really love somebody, you can wait
â'Cause thereâ's no such thing as too late
Listen to my heart
And down this into yours

And if they say the same thing then
I know were ready
But until then we should be patient
Let's not start
But when we start
I promise you're gon love it baby
And when it's time
I won't even have to tell you so
You'll see the stars are shining the same
So take your time
'Cause love ain't got nowhere to go
It'll be way better if we wait
'Cause there's no such thing as too late
When you really love somebody, you can wait
(Don't yo think?)
'Cause there's no such thing as too...
