I'm just a man from the land of stars, sun and sand I'm sometimes good and I'm sometimes happy and sometimes bad and sad
And I was born with a broken heart
You bet your ass I can swing some blues
And I can pick you up when you're feeling down
And put some love
Some love inside of you

Put some love inside of you Is what I'm gonna do Put some love inside of you Is what I'm gonna do Put some love inside of you

I tell the truth I never go to church
But I always, I always say my prayers
Mother's think that I'm the boogie-woogie man
But their daughter's, their daughters are never ever
scared
I drop a magic potion
To move in slow motion
Oh, yeah it's time to get it on
You all's know what you're feeling is right
When all those folks round you are telling you that
you're wrong

I just don't know
I, I wanna do my own thing
But people they just try to bring me down
Tell me that it's not right
I'm just, I'm just a dreamer
Confused and I... I'm so confused and I, I don't know
I... I, wou... could you help me, help me
Wha... what would you do for me
Tell me please, please?

I'll put some love inside of you Is what I'm gonna do Put some love inside of you Is what I'm gonna do Gonna put some love inside of you Is what I'm gonna do Put some love inside of you Is what I'm gonna do
