Hey ole Friend, thanks for callin'  
It's good to know somebody cares  
Now she's gone, but I don't feel like talkin'  
Might be just too much to bear  
To hear somebody say I'll stop hurting  
To hear somebody say she ain't worth it

You don't know her like I do  
You'll never understand  
You don't know what we've been through  
That girl's my best friend  
And there's no way you're gonna help me  
She's the only one who can  
No, you don't know how much I've got to lose  
You don't know her like I do

I can't forget, or drink away these memories  
It hurts my soul, cause it won't pass  
And I can't go, it's like a death inside the family  
It's like she stole my way to breathe  
Don't try to tell me I'll stop hurting  
Don't try to tell me she ain't worth it

You don't know her like I do  
You'll never understand  
You don't know what we've been through  
That girl's my best friend  
And there's no way you're gonna help me  
She's the only one who can  
No, you don't know how much I've got to lose  
You don't know her like I do

You don't know her like I do  
You'll never understand  
You don't know what we've been through  
That girl's my best friend  
There's no way you're gonna help me  
She's the only one who can  
No, you don't know how much I've got to lose  
You don't know her like I do
