Oh yeah!  
Really wanna take  
Take this all the way  
But please don't let it fade  
Don't shoot me down in flames

Got me loaded up  
I changed position and my thoughts  
Now I'm standin' up  
Oh please don't let me drop

Chorus:  
I'm OY-905  
Don't shoot me down tonight  
I'm OY-905  
To night

I feel the fright  
At the back of my mind, yeah

Got no reason to  
Feel the way that I do  
But still these termites rule  
My bod is in a loop

I really wanna take  
Take this all the way  
So please don't let it fade  
Don't place me in the shades again

Chorus

Tonight, tonight, tonight  
I really am alright

Chorus

Tonight, tonight, tonight  
I really am alright  
Yeah, I'm high in spite of fright  
I'm so glad I'm so glad
