

## **Breakdown Of Sanity "Paralyzed"**

Visit "[Paralyzed](#)" on [MotoLyrics.com](https://MotoLyrics.com)

There is no masterplan, I'm so confused and paralyzed

Here where the fuck I am, just dark walls around me as  
high as mountains

My hands on my chest, they feel like a thorn deep  
inside me

This pain brings me down to my knees

What's behind those fuckin' walls

I hate the future

Looking for some answers (3x)

My decisions are setting the track switch through the  
jungle of this life

But what to do if there is more than just one way

I never wanted that you leave me

But I saw it in your eyes, the trust was already dead

All the time I tried to cope, I said to myself, look

forward to a new

Chapter

This is my confession, I'm still in love with you

Could I find the way back to you

I can feel there is still hope

Walls so high I can't see the sun anymore - this is a

fucking dead en
