I've been hiding from your eyes
And staying out of reach
Trying not to let my heart
Keep remindin' me

What I wish I'd shown you, girl
When you were close enough to me
If I don't get another chance
At least I'll have my peace

I've been hiding, yeah-eah
I've been hiding, hey

Yeah-eah

I've been hiding from your words
And keeping my head clear
Trying not to let my heart, no
Drown under the fear

I've been hiding, yeah-eah
I've been hiding, hey
I've been hiding

But I ain't gonna hide no more
Ain't gonna hide no more
Ain't gonna hide no more, no no no

Oh no

Oh, if you could see
Whoa oh oh oh oh yeah

I've been hiding underneath these eyes
And I'm hoping you will see
What a fool looks like pretending
That his love is not a dream
Just waiting to be woken up
Or finally put to sleep

I can't live in this world between
What I want and what I need

I've been hiding, yeah-eah
I've been hiding, hey
I've been hiding

But I ain't gonna hide no more
Ain't gonna hide no more no
Ain't gonna hide no more, no no no

Ain't gonna hide no more, yeah

If you can't see,
Then you can think
Just maybe then, yeah, you'll see for real
But I ain't gonna hide no more,
No no no no no
Ain't gonna hide no more, hey
