I've been searching  
I've been searching  
I've been searching for a gold mine  
To open up the skies and make me feel alive  
I've been searching for a gold mine  
A gold mine

Well, I got trouble sleeping in  
Wanna feel the day begin and change my mood  
It's been feeling kinda dark  
And I'm waiting for a call  
To answer to

I have to be honest, I wouldn't know what's true  
So won't you take me up with you cause

I've been searching for a gold mine  
To open up the skies and make me feel alive  
I've been searching for a gold mine  
A gold mine

Well, I've been traveling high and low  
Searching for that glow before it strays

I only got one life to give  
Only have so long to live  
I can't throw this away

I have to be honest, I wouldn't know what's true  
So won't you take me up with you cause

I've been searching for a gold mine  
To open up the skies and make me feel alive  
I've been searching for a gold mine  
A gold mine

Do, da, do, da, du, da, do  
Du, do, do, do, do, do, do  
Du, do, do, do, du, da, do

I've been searching

I've been searching

I've been searching for a gold mine  
To open up the skies and make me feel alive  
I've been searching for a gold mine  
Gold mine

I've been searching for a gold mine  
To bring the colours right back into my eyes  
I've been searching for a gold mine  
A Gold mine

Do, da, do, da, du, da, do  
Du, do, do, do, do, do, do  
Du, do, da, do, du, da, do
