Well I travelled far  
All over this world  
With no destination  
And I've moved deep  
So deep in my heart  
Searching for salvation

But I've found a love the kind  
That dreams are made up  
What I needed all these years

Here I am a lucky man  
Thankful for what life has given  
I finally found my solid ground  
Here I stand such a lucky man

Brick and wood  
And a whole lot of love  
Built a little piece of heaven  
Soft rain fall on the window pane  
With you in my arms  
Man that's livin'

And I can't believe  
That love could be  
Someone like you who cares

Here I am a lucky man  
Thankful for what life has given  
I finally found my solid ground  
Here I stand such a lucky man

Could have been lost forever  
I drifted on an endless sea  
But here I am a lucky man  
Thankful for what life has given  
I finally found my solid ground  
Here I stand such a lucky man  
Here I stand  
Here I stand such a lucky man
