Chorus 1:

Here and now, here in this moment
Here and now I turn to You
All that my searching heart has longed for can be
found
'Cause You're in this moment, here and now

Verse:

What majesty, what mystery,
The God of all eternity
Stepped into time and gave His life for me
Your hand is seen in galaxies,
Yet Your Spirit dwells in me
So vast and yet You're still within our reach

Bridge:

There is nowhere You can't be found
Nothing on earth could ever keep Your Presence out

Chorus 2:

Here and now, here in this moment
Here and now I turn to You
All that my searching heart has longed for can be
found
'Cause You're in this moment, here and now
You're in this moment here and now
