[Chorus]

I cling to the cross and everything it means  
I know it's the only hope there is for saving me  
For without Your great mercy  
I would be forever lost  
With a thankful heart I come  
And cling to the cross

[Verse]

Standing at the empty tomb  
Promises I have in You arise  
I was made alive in You  
Everything You said was true  
You suffered, died, and rose to bring us life

[Chorus 2]

I cling to the cross and everything it means  
I know it's the only hope there is for saving me  
For without Your great mercy  
I would be forever lost  
With a thankful heart I come (Jesus I come)  
With a thankful heart I come  
With a thankful heart I come and cling to the cross

[Bridge]

The world behind me, the cross before me  
The world behind me, the cross before me  
The world behind me, the cross before me  
No turning back, no turning back
