When my heart is overwhelmed
And my eyes are blind to You
And the pain of life is just too heavy to bear

And then the mountains seems so high
And my faith's too weak to climb
Lead me to the rock that is higher than I

Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I
Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I

When my life is hit with fear
And I fight to hide the tears
And I wrestle in my heart to know what to do

Lord, I'm welling up inside
But I know You hear my cry
Jesus, lead me to the rock that is higher than I

Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I
Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I

You are the rock and there is no other
A tower of strength, You are my shelter
Lord, You are my hope eternal
You are the rock that is higher than I

You are the rock and there is no other, oh
A tower of strength, You are my shelter
Lord, You are my hope eternal
You are the rock that is higher than I

Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I, oh
Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I, oh

Lead me to the rock, lead me to the rock

Lead me to the rock that is higher than I, oh
Lead me to the rock, lead me to the rock
Lead me to the rock that is higher than I, oh
