"The Way"

The way the sun breaks
Through the clouds
Beams of light shining all around
The way the ocean meets the sand
Waves of blue come crashing in
The way a mother holds her child
The way You make me shine

I see You, I feel You
Like the wind against my face
I hear You, I'm near You
In every step I take
I want to follow You
More and more each day
'Cause You are the way
You are the way

The way the thunder shakes the earth
Lightning strikes and shouts Your worth
The way the seasons come to pass
Shows my heart Your faithfulness
The way the morning star returns
The way a fire burns
