Chorus 1:

You have been so good to me
You have been so good to me
I came here broken, You made me whole
You have been so good, You have been so good
You have been so good to me (repeat)

Verse:

How can I thank You, there is just no way
How can I thank You, Lord, how could I repay
For Your kindness, for Your tenderness
For Your constant Presence here with me

Chorus 2:

You have been so good to me
You have been so good to me
I came here broken, You made me whole
You have been so good, You have been so good
You have been so good to me
You have been so good, You have been so good
You have been so good
So good
