You have shown us, oh God, what is good  
You have shown us, oh Lord, what You require  
You have heard all our songs  
How we long to worship You  
Yeah, You've told us the offering You desire

To do justice and to love mercy  
And to walk humbly with You, God  
You said, to do justice and to love mercy  
And to walk humbly with You, God

You have shown us the riches of Your love  
And You have shown us Your heart for those in need  
Lord, You're opening our ears to the cries of the poor  
You have called us to be Your hand and feet

To do justice and to love mercy  
And to walk humbly with You, God  
You said, to do justice and to love mercy  
And to walk humbly with You, God

To the oppressed and the broken  
To the widow and the orphan  
Let the river of Your justice flow through us  
To the oppressed and the broken  
To the widow and the orphan  
Let the river of Your justice flow through us

Let Your river flow, let Your river flow  
Let the river of Your justice flow through us, oh

To do justice and to love mercy  
And to walk humbly with You, God  
You said, to do justice and to love mercy  
And to walk humbly with You, God

To do justice and to love mercy  
And to walk humbly with You, God
