Shut up heart quit messing with my mind,
You've done gone and been proved wrong,
One too many times,
Yeah you're the one who got me,
In this sorry shape I'm in,
Shup up heart, I'll never listen to you again

There's a lady in the vorner,
Think I'll ask her for a dance,
Now let me do the talking,
And we might stand a chance,
I ain't forgot the last time,
You told me what to do,
She ran off and left me stuck,
With a fool like you

Shut up heart quit messing with my mind,
You've done gone and been proved wrong,
One too many times,
Yeah you're the one who got me,
In this sorry shape I'm in,
Shup up heart, I'll never listen to you again

I'll tell her what she wants to hear,
And I don't neat your help,
Don't care what your feelings are,
Just keep 'em to yourself don't want you nowhere near
her,
When I try my luck,
You stay out of this tonight,
Keep your big mouth shut

Shut up heart quit messing with my mind,
You've done gone and been proved wrong,
One too many times,
Yeah you're the one who got me,
In this sorry shape I'm in,
Shup up heart, I'll never listen to you again

Shup up heart, I'll never listen to you again
Shup up heart...
