I'm taking a fall, I'll be where you want me
I'm in your illusion and I lose myself in you
I'm taking a fall, I'm right where you want me
Never any illusion and I lose myself in you

I'll be your soldier
I'll be your fighter
If all your sky was falling down
I'll take you with me
I'll take you with me
If all your sky was falling down

I'll be your soldier
I'll be your fighter
If all your sky was falling down
I'll take you with me
I'll take you with me
If all your sky was falling down

I'll be your soldier
I'll be your fighter
If all your sky was falling down
I'll take you with me
I'll take you with me
If all your sky was falling down

I'm taking a fall, I'm right where you want me
Never any illusion and I lose myself in you.
